News From President George

Happy October, I hope everyone is well and able to get the vaccine and/or booster. May we all work together and defeat this virus as we have done with others like Polio. Be safe and enjoy the fall season.

I hope you are enjoying the rain and cooler days that fall is giving us!

As I'm sure you're noticing, the October newsletter is very short (but colorful!) Why, you say: because your editor has a new knee and is slowly recuperating. The November newsletter might be shorter, too, but probably not one page. I hope everyone is ok and looking forward to seeing each other again.
