1. The previous Board Meeting minutes were approved.
2. Next Board meeting will be June 2, 2023.
3. Next General meeting will be Saturday June 10, 2023, at 10:30am.

Vice President:

Guest speaker: Dennis Walsh will speak on Cyber Security and explain how to keep our computers safe by using passwords, protection from scams, computer privacy, backing up records, how the “cloud” works, and other computer concerns as time allows.

Membership: Connie reported that we now have 51 paid members!

Treasurer/Finance: Lois reported we have spent \$100 more than our current income, however, we still have \$4,668 in savings.

Library: We talked about the book donation project and how to make more room in the library for more donated books by potentially eliminating those books that have never been checked out. Some books could be moved to the upstairs.

More books will be offered for sale following the May 13 General meeting.

June’s program time will be a potluck and time to talk about what type of programs people might like to see.

Meeting adjourned 2pm.

Respectfully submitted,
Linda Olsen
