HAVE A HAPPY SUMMER

Program 10 June 95

This month will be our annual June potluck lunch. If we are lucky and the sun shines, it will be under the trees between the Museum and the Annex. The schedule for the meeting is as follows.

Business Meeting	10:00 a.m.
Library opens	11:00 a.m.
Potluck	12:00 noon
Close	3:00 p.m.

Vote on raising the dues from \$6/\$9 to \$10/\$13 to cover the cost of mailing the newsletter to all members.

No meetings during July and August. September is our annual "What I did Genealogically this Summer".

Danell will have her Archival supplies at the meeting today.

Queries and Help

Do you have any Automated Archives CD-ROM's? If you do, please contact the Editor with a list of them. There is no sense buying a CD if you can borrow from someone that already has it. We can start an exchange going.

George A. Robinson in Benton County in 1910 and 1913. These are the only dates known for sure. They were from Arkansas. The 1910 census shows one in his sixties and one in his twenties (his son?). If you are working on this family please contact your Editor.

I'm starting a genealogy of descendants of Thomas Flagg who arrived on the "Rose" in 1637. If you run across any bits of information on this family, post 1700, I certainly would appreciate your passing them along to me. Damaris Reynolds at 753-1810.

Garage Sale

Another successful garage sale. Thanks to all of the "treasurers" that were donated and the hard work of Shirley Hill, Pat Coolican, Becky Kiger and Judy Beals who marked everything, to Becky, Pat and Judy who showed up early Saturday morning and to Joan Mueller, Mickey Yoke, Mabelle Martching and Joy Read who were able sales people, the society is \$400.00 richer. Of course none of it would have been possible without the generous loan of their garage, their effort and their time by Jean and Joe Grube. Remember, this is not the end of our money raising efforts. Bring your paperbacks to the June meeting. there probably will be another garage sale in September, and there is always the thrift shop. If during the summer you find things you can live without, give me a call and I'll pick them up.

The Family Tree

The following is from a Donna Potter Phillips column about a poem by Willis Corbitt.

I think that I shall never see the finish of my family tree

As it forever seems to grow from roots that started very low.

Way back in ancient history times in foreign lands and distant climes.

From them grew trunk and branching limb that dated back to time so dim.

One seldom knows exactly when the parents met and married then.

Though a verse like this is made by me, and the end's in sight as you can see.

'Tis not the same with Family Trees that grow and grow through centuries.
