---

**President:** George Davidson called the meeting to order.

1. Next Board meeting **Friday Dec 5, 2025.**
2. Next **General meeting Saturday Nov 8, 2025**, followed by a program presented by Brent Bunker about **“Traveling to the Homeland.”**
3. The previous minutes were approved and posted on our web site

**Vice-President:** Kathryn

Kathryn is scheduling programs for January and February – One program on Poland and another program on Letitia Carson. Possible December programs were discussed.

**Membership:** Candy

It's time to think about our yearly \$20 dues for Jan - Dec 2026. Sign up in person or by mail and fill out a membership form with your current contact information. Some members have already paid dues for 2026.

**Treasurer:** Lois

Lois reported we have \$3700 in the bank. Our largest yearly expense will be in January 2026. Bottle drop is still giving us a little income for our society.

**Webmaster:** George

George keeps us up to date. In addition to the President's responsibilities for our society, he keeps our BCGS web site up to date, posts the minutes and newsletters on our website, keeps up on the latest technology and much more.

**Library:** Liza

Liza and George are working on the new inventory. The books need to be listed in the current order in our new library with all the volumes of one topic together and duplicates more easily discovered.

**Project:** Linda Olsen is collecting “Family Recipes from your Ancestors” for a society booklet. Please bring your older recipe copies with a brief description of your ancestor that used that recipe to a meeting. Thanks

Respectfully Submitted  
Linda Olsen
