Committee Reports

- a. Treasurer / Finance Committee: Lois Courtney
- b. Membership: Candy Koetz
- c. Library Committee: Liza Wilson
- d. Newsletter update Laurie Corliss
- e. Secretary position is vacant:

Program today: This is our first gathering after a summer break and we have much New Business to discuss!

- First, we invite all members to share-out a high point from their summer break, including progress made or brick walls discovered in their genealogical quests!
- We need everyone to please suggest: 1 specific program or speaker they would like to hear from or to participate in during 2027
- We need at least 4 people to commit to drafting a short (or longer!) article for the newsletter, or our beautiful newsletter will wither and go away! 😞
- We need 1 or more people to please self-nominate to fill the Secretary role in our group. This involves summarizing each general meeting for the minutes (and potentially adding to the newsletter) and to likewise attend and summarize key points from the monthly meetings of our board.
